

LindeDirect.com Simplifies Your Online Gas and Equipment Business

Ordering Online is Easier Than Ever

LindeDirect is Linde's online solution for purchasing gases and equipment. Being able to shop and make purchases without leaving your workplace or home – and in just a few clicks – helps you spend less time ordering and more time taking care of what matters to you: your business. The site includes a variety of e-business tools for integrating with customer platforms including traditional EDI/cXML integration, punchouts and hosted catalogs.

LindeDirect offers full e-commerce capabilities and is built to be fully responsive. The site automatically adjusts to fit your device, whether you use a desktop computer, laptop, tablet or cell phone.

LindeDirect capabilities enable you to:

- Place online orders for delivery or for pickup at one of our 300+ retail locations
- Access contract pricing (account holders only)
- Pay by credit card or charge to your account (account holders only)
- Access and view documents like invoices and proof of delivery (account holders only)
- Browse thousands of products (with more being added every week)
- View retail location inventory
- Create custom product lists to simplify the reordering of frequently needed items

No matter how simple or complicated your needs, Linde's online purchasing system saves you time and money. LindeDirect gives you online ordering capabilities that are compatible with your contract status, IT systems and process requirements. Benefits include:

- Improved order placement speed and accuracy
- Reduced need for manual data entry
- Virtual elimination of need for paper handling, faxing, phone calls and mailing

Search Our Inventory of Gases and Equipment

LindeDirect reduces the guesswork when placing orders. While online, you can see if the items you need are in stock, check available quantities or browse through thousands of items in our catalog to find exactly what you need.

A Secure Ordering Environment

Our simplified ordering process is convenient, quick, easy and secure, with the use of SSL technology. SSL functionality helps prevent unwanted intrusion into the system, protecting login credentials, financial information and privacy.

- Manage Your Account** It's simple to get the status of existing orders and open invoices. Use your purchase order number or the system assigned order number to view and/or download unpaid invoices and proof of delivery documents in Adobe PDF format. You can also check account and cylinder balances online. LindeDirect makes it easy to track what you have in-house and what's outstanding.
- Find the Nearest Linde Retail Location** Prefer to pick up your order rather than have it delivered? LindeDirect makes it easy to place your order online and pick up your items at one of our 300+ retail locations.
- Get Immediate Assistance** LindeDirect is user friendly, but there may still be times you require assistance. Have a question about your ordering process? Do you need billing support? Do you need help determining which product is appropriate for your metal fabrication needs? Call our help desk toll-free (1-800-773-4877) or use our online chat feature to speak with a billing representative, welding specialist or specialty gas specialist, available from Monday-Friday 8:00 a.m.- 8:00 p.m. EST.
- Browse Our Product Selection** Products available online at LindeDirect include:
- Products by top name manufacturers like Miller Electric, Lincoln Electric, Hypertherm, ESAB, Tillman and United Abrasives
 - Premium quality PROSTAR™ brand products
 - Industrial, medical and specialty gases and blends
 - Welding wire and electrodes
 - Gas equipment and regulators
 - Welding and cutting equipment and consumables
 - Abrasives
 - Power tools
 - Safety equipment and PPE
- Put LindeDirect to Work for You** If you have an established account with Linde, you can use it to request online access and quickly put LindeDirect to work for you. If you don't have a LindeDirect account, you can still purchase parts and equipment on our online store using a valid credit card. To purchase gases, please send a request to lindedirect@linde.com to begin the application process.
