## PROSTAR™ PRS61901 Auto-Darkening Helmet

Linde's lightweight auto-darkening helmets help reduce neck fatigue. Their smart design makes them ideal for working in tight spaces. They feature an extended front to improve neck protection against sparks and spatter.

### PROSTAR™ PRS61901 Features

- 4.5 in. x 5.25 in. auto-darkening lens unit
- Variable shade functionality from shade 5 to 14
- Four solar-powered sensors with battery-backup
- Eight sensitivity and delay settings
- TIG welding down to 5 amps
- Works well for grinding
- Lightweight, durable design
- Extended neck coverage
- Easy-to-replace polycarbonate lenses
- Custom headgear with multiple adjustments
- Front and rear sweatbands
